

THE DRIVE COMMUNITY PRIMARY SCHOOL

FRIDAY LETTER

18th September 2026

WHAT'S BEEN HAPPENING IN SCHOOL THIS WEEK!

On my walks around school this week, I was delighted to come across a giant human game of Tic Tac Toe taking place in one of our classrooms! It was fantastic to see children actively engaged, working collaboratively, taking turns, and developing their strategic thinking skills. Learning was certainly brought to life, with lots of excitement, teamwork and smiles all around! 😊

The smell coming from the staffroom this week has been sensational! Reception have been making apple pies using the autumn apples that had fallen from the tree
