# Introduction

Kapow Primary offers full coverage of the KS1 and KS2 [Curriculum Framework for Religious Education in England](#) (2013).

This document contains each end of key stage requirement from the Curriculum Framework and information about the units that will help pupils on their learning journey to meeting that statement by the end of Year 2 and Year 6.

For EYFS: Reception, the document shows how following the condensed long-term plan can target the 'Understanding the world' elements of Development Matters and help pupils to meet the Early Learning Goals by the end of Reception.

Please note that the Curriculum Framework is not a statutory document and therefore the statements within it are not legal requirements as in the National curriculum. Many Religious Education locally agreed syllabi are based on this document, however.

This document is regularly updated to reflect changes to content on our website and the latest version can always be found [here](#).
